Royalton Music Center proudly announces its 24th year of Jazz Express, a summer jazz band camp! Don't miss the thrill of performing with your friends and pro musicians at local, historic, and festive venues this summer.

This year's masterclass and performance will feature trumpet artist Joe Miller! Joe has toured with his Grammy-nominated group Liquid Soul and has played lead and solo trumpet for Aretha Franklin, Tony Bennett, Frankie Valli, Barry Manilow, The Funk Brothers and many others. He currently holds the lead trumpet chair at Playhouse Square, and is a member of the Applied Music Faculty at Cleveland State University - specializing in Jazz and Commercial music.

Daily rehearsals from 4-5:30pm begin Monday July 10th and run through Friday July 21st (Mon-Fri only). Additional rehearsals may be scheduled as needed, and previous playing experience is required. Performances will include: July 16th @ Grindstone Tap House, July 21st at Cedar Point, and July 22nd at Cleveland's newest and most prestigious jazz dinner club, The Music Box Supper Club!

Program cost of \$179 per musician includes camp instruction, masterclass with artist, t-shirt, music, and admission to Cedar Point and all other performance venues for each camp member.

Scheduling for this summer is already "on track", so let's get rollin'!
